

Senior Auditor

Pedelahore & Co., LLP is seeking an experienced and highly motivated Senior Auditor to join our team in our Metairie office. This is an outstanding opportunity for an individual with a solid foundation in public accounting and a passion for delivering high-quality client service and deliverables. The ideal candidate will have at least 3 years of public accounting experience with a strong focus on auditing and will be responsible for performing audits, reviews, and compilations for a diverse range of clients across multiple industries.

Required Qualifications

- 3–5+ years of public accounting experience with a concentration in audit
- Bachelor's or Master's degree in Accounting or a related field
- CPA certification or active progress toward certification
- In-depth understanding and working knowledge of auditing standards, GAAP, and GAAS
- Proficiency with QuickBooks (both desktop and online) preferred
- Experience with CCH ProSystem fx Engagement is a plus
- Strong attention to detail in a fast-paced environment
- Excellent organizational, communication, and analytical skills
- Self-driven and detail-oriented
- Ability to work both independently and collaboratively
- High level of discretion in handling confidential information
- Skilled in managing multiple engagements with consistency and accuracy

Key Responsibilities

- Executing the day-to-day activities of audit engagements of various clients
- Prepare complex financial reports, including financial statements, footnotes, supplemental information and other deliverables
- Develop and maintain comprehensive working papers and perform audit procedures in accordance with GAAP
- Participate in planning and scheduling of client engagements
- Assist in the training, coaching, development and motivation of staff
- Maintain effective communication with clients and address their concerns promptly
- Collaborate with team members, managers, and partners to ensure quality service delivery and client engagement
- Stay current on industry trends and changes in accounting and auditing standards

About Us
